

The Tingey Painting with Parkinsons Program (TINCAN)[™]

The *Tingey Painting with Parkinsons Program* is an art therapy program that supports people living with Parkinson's. The weekly sessions encourage participants to freely explore art materials presented, and work without interruption while listening to meditative music. The purpose is to bring relief to symptoms and improve wellbeing.

Classes are held onsite at the Dixon Gallery and Gardens.

Wednesdays, 10:00am – 12:00pm
